

Microsoft Surface Studio 2+

Make a statement in form and function

Bring attention-worthy design to your workspace and fluid collaboration to your team with Microsoft Surface Studio 2+. A minimal footprint and exceptionally thin profile combine with brilliant color and blazing-fast graphics while an enhanced camera and dual Studio Mics take collaboration to the next level. Designed to draw attention, it may even spark a little envy.

BENEFITS

Make meaningful connections on video calls with the best quality camera you can get on a Surface. Enjoy more accurate skin tones, superior color reproduction, and a crisp, high-resolution image even in low-light conditions.

IT can rest easy knowing even the most confidential data is safe. Secured-core PCs are the most secure Windows 11 devices for workers handling the most sensitive data. Maintain control of sensitive information with a removable hard drive for data retention.

Multitasking has never been mightier. Amplify productivity with a brilliant 28" PixelSense™ touchscreen display—from a 13.5 million-pixel view of a 3D model to viewing four apps on screen at the same time.

Enjoy easy and natural inking with the 28" PixelSense™ touchscreen

Front-facing camera with 1080p HD video

Strikingly large 28" PixelSense™ touchscreen

Essential ports, including USB-C with Thunderbolt™ 4
